All responses to the questions contained must be entered into the online application form available through the Funding Schemes Site.

Only applications submitted online will be accepted.

Ignition Grants Application Form

USyd - U of T - Ignition Grants

USyd Chief Investigator Information

Title	(No response)
First Name	(No response)
Surname	(No response)
Staff Number	(No response)
Position	(No response)
Email	(No response)
Phone Number	(No response)
ORCID ID (16 digits without dashes)	(No response)
Sex	(No response)
Do you identify as Aboriginal or Torres Strait Islander?	(No response)
Research Career Stage	(No response)

USyd Faculty

(No response)

Application Endorsement

After completion of this application form you will be required to obtain the expressed approval from your USyd Head of School or Head of Research Centre for final submission. A pre-filled Endorsement Coversheet will be provided to the USyd Chief Investigator by email for this purpose.

USyd Endorser

Provide the details of the Head of School or Head of Research Centre who will be endorsing the submission of this application

Name	(No response)
Position	(No response)
Faculty/Dept/School/Centre	(No response)

Is this application multi-disciplinary?

(No response)

Multidisciplinary initiatives

Please indicate all multidisciplinary initiatives your team has an affiliation with or is a member of.

Select	(No response)
--------	---------------

Sustainable Development Goals

Does your project seek to address a [Sustainable Development Goal](#)?

(No response)

Does this application involve Early Career Researchers (ECR)?

ECR being defined as within 10 years of award of PhD

(No response)

Does this application involve Mid Career Researchers (MCR)?

MCR being defined as between 10 -15 years of award of PhD

(No response)

Does this application involve PhD candidates?

(No response)

USyd collaborators

Please provide details of all USyd collaborators, other than the Chief Investigator

U of T Chief/Principal Investigator Information

Title	(No response)
First Name	(No response)
Surname	(No response)
SGS Membership status	(No response)
Position	(No response)
Faculty	(No response)
Department/Institute	(No response)
School/Centre	(No response)
Email	(No response)
Phone Number	(No response)

Do you have a continuing faculty appointment at U of T?

(No response)

Are you within five years of your first faculty appointment?

This duration excludes any period of career break

(No response)

Application Endorsement

After completion of this application form you will be required to obtain endorsement from your U of T Vice Dean Research for final submission. A pre-filled Endorsement Coversheet will be provided to the U of T Chief Investigator by email for this purpose.

U of T Endorser

Please provide the details of the Vice Dean Research from the University of Toronto who will be endorsing this application.

Name	(No response)
Position	(No response)
School/Centre	(No response)

U of T collaborators

Please provide details of all U of T collaborators, other than the Chief/Principal Investigator

	Title	Full Name	Position	Faculty/Department/Institute/School	Role Within Project	Please indicate

Project Title

Max 256 characters

(No response)

Abstract

*** Please note that this Abstract may be published online (eg. Academic Profile) *** (Max 140 words)

(No response)

Project Description in Layman's Terms

*** Please note that this Project Description may be published online (eg. Staff News) *** (Max 100 words)

(No response)

Please indicate if the project is in support of:

(No response)

Please give brief details on all previous, existing, and newly developed collaborations/ties related to this project.

(No response)

Project Start Date:

Select date.

Note: Projects must start by 30 October 2023

(No response)

Project End Date:

Select date.

Note: Projects must end by 30 September 2025.

(No response)

Selection Criteria

Please address the following 3 criteria:

Quality and Relevance

- Clearly describe the objectives and methodology to be employed with the project. The alignment with strategic priorities and the objectives of the funding scheme will be considered in combination with the soundness of the concept and credibility of the proposed methodology.
- Explain how the participants in the research team will bring together the necessary expertise to carry out the project. The 2-page CVs of the Chief Investigators will be taken into consideration.

Execution

- Elaborate on the workplan and milestones outlined in the timeframe (there are separate sections in the application form for an outline of activities in the Timeline and Budget). Proposed timeframes and budget estimates should be realistic and appropriate.
- The long-term plan for engagement to attract research funding and produce publications will be taken into consideration.
- This section should also address the appropriateness of the allocation of tasks, ensuring that all participants (including PhD students, postdocs, Early and Mid-Career Researchers (EMCR), and any researchers on Sabbatical Leave) have a valid role and there are adequate resources in the project to enable them to fulfil that role.

Impact

- Outline what the participants will gain from the project and how it will contribute to the discipline and field of research.
- Explain how the project will establish or strengthen a durable cooperation between the universities and participants.
- Explain how the project will impact beyond the academic sphere (i.e. benefit society, address global challenges, [Sustainable Development Goals](#), etc.).
- Explain how the project activities and results will be communicated to different target audiences.

The sections for responses to the criteria above are limited to 300 words each

Quality & Relevance

Impact

(No response)

How many publications are you expecting to result from this project?

Eg. Journal Articles, Conference Proceedings, Book Chapter, Research Report for External Body, Patents, etc.

Journals	(No response)
Conference Proceedings	(No response)
Books	(No response)
Book Chapters	(No response)
Patents	(No response)
Creative Works and/or Non-traditional Research Outputs	(No response)
Others	(No response)

What external funding opportunities will be targeted following the completion of this proposal?

Please specify the external funding organisations and schemes to which you aim to submit applications by name, and where possible, include a web link and the submission deadline.

[Applicants must include at least one \(1\) Category 1-3 national/international competitive grant submission](#)

Category 1: Australian Competitive Grant Research Income. For example, the ARC, NHMRC, MRFF, etc.

Category 2: Other Public Sector Research Funding. Other Australian Government schemes and business enterprises and State and local governments and partly government-owned or funded bodies.

Category 3: Industry and other Funding for Research. Research grants or contract research with Australian or international industry or non-Australian Government agencies. Funding through donations, bequests, charities and foundations (both Australian and international).

Eg. * Australian Research Council, Discovery Projects 2023, <https://www.arc.gov.au/grants/discovery-program/discovery-projects>, 27 February 2023

(No response)

Project Timeline

Projects must start by no later than 30 October 2023 and end by no later than 30 September 2025.

Progress reports must be submitted by 1 July 2024 and will be reviewed against the outcomes outlined in this timeline.

Final reports are due by 30 December 2025.

Budget

The sections below are to be broken down into the following categories:

- Travel expenses by USyd researcher(s)
- Travel expenses by U of T researcher(s)
- Workshop 1/symposium/roundtable (optional)
- Workshop 2/symposium/roundtable (optional)
- Other Expenses

The maximum requestable amount is AUD 50,000 per project with AUD 25,000 from USyd and the equivalent of AUD 25,000 in CDN from U of T.

Funding would be allocated in two tranches, each to the amount of up to AUD 25,000. The release of the second tranche is dependent on the review of a progress report and milestones from the first 9 months being met.

- First tranche funding (USyd and U of T) is available from early October 2023 until 31 July 2024.
- Second tranche funding from U of T is available from August 2024 until 31 July 2025.
- Second tranche funding from USyd is available from August 2024 until 30 September 2025.

The overall requested amounts for USyd and U of T should be as close to even as possible.

All amounts should be provided in Australian dollars.

Travel Expenses of USyd Researcher(s)

All amounts should be provided in Australian dollars

	Requested Funds	Other Contributions (if any)	Item Description
Flights by USyd researcher(s)			
Accommodation			
Meals & Incidentals			
Other			
Sub Total	0	0	

Travel Expenses of U of T Researcher(s)

All amounts should be provided in Australian dollars

	Requested Funds	Other Contributions (if any)	Item Description
Flights by U of T researcher(s)			
Accommodation			
Meals & Incidentals			
Other			
Sub Total	0	0	

Workshop 1/Symposium/Roundtable

All amounts should be provided in Australian dollars

	Requested Funds from USyd	Requested Funds from U of T	Other Contributions (if any)	Item Descriptions
Venue Hire				
Catering
